

THE BUNDLE BIRTH a nursing corporation NURSE Mentorship PROGRAM

Are you a Labor & Delivery nurse and wish you had more practical tools & resources to help your patients have a safe & positive birth experience?

How Does it Work?

March, June, Sept, Dec — Registration Opens!
15 days later — Registration closes & cohort begins the 1st of the next month!

- Over the course of each month, you work your way through that month's content.
- Watch & **learn online**, at your own pace. There are 3 formats for learning - lecture style video, Real Talk conversations about the content & how it actually is, Real Life patient scenarios and role-play videos.
- Each month features a custom **workbook** to accompany your learning, reflections and worksheets to keep you engaged and growing.
- Join your mentor and other likeminded nurses on your group **call** once a month! Receive support, guidance, more education and grow together!
- Participate in the Bundle Birth Nurse **COMMUNITY** forum. Ask questions, access other resources and discussion with all mentees, past & present.
